

BrainCoach AI - Performance Report

Child Name: fd

Exercise: Basic Finger Yoga

Date: 2026-05-30 13:17

Session Summary

Average Accuracy: 74.82%

Total Score: 748

AI Recommendation

Based on the hand tracking data, the concentration levels are improving. We recommend continuing with 'Finger Yoga' for another 3 sessions to solidify fine motor control before moving to the next level.
